

CROCHET GNOME TUTORIAL

♥ PURPLE STRIPED GNOME ♥

Step-by-step guide to make this adorable gnome

MATERIALS

- Worsted weight cotton yarn:
  - Purple (dark)
  - Lavender (light)
  - Lilac (medium)
  - White (beard)
  - Beige (skin)
  - Brown (acorn cap)
- 3.5 mm (E/4) crochet hook
- Yarn needle
- Scissors
- Fiberfill stuffing
- Stitch markers (optional)
- Hot glue (optional for leaves/acorn)

FINISHED SIZE

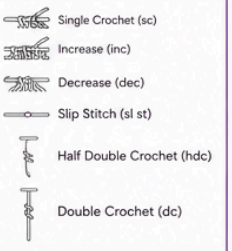

Approx. 28–30 cm (11–12 in) tall (depending on yarn and tension)

ABBREVIATIONS (US TERMS)

MR = Magic Ring
ch = Chain
sc = Single Crochet
inc = Increase (2 sc in next st)
dec = Decrease (invisible sc dec)
sl st = Slip Stitch
hdc = Half Double Crochet
dc = Double Crochet
BLO = Back Loop Only
FLO = Front Loop Only

MAIN STITCHES (US)

PART 1 – BODY

1 Start with purple yarn.
Rnd 1: MR 6 sc (6)

2 **Rnd 2:** inc in all st (12)

3 **Rnd 3:** (sc, inc) x6 (18)

4 **Rnd 4:** (2 sc, inc) x6 (24)

5 **Rnd 5–16:** sc in all st (24) (12 rounds)

6 Stuff firmly.
Rnd 17: (2 sc, dec) x6 (18)
Rnd 18: (sc, dec) x6 (12)
Rnd 19: dec x6 (6)
Fasten off, weave in ends.

PART 2 – HAT (STRIPED)

Use purple, lilac, lavender and white.
Change color every 2 rounds.

Rounds	Color	Stitches
1–2	Purple (dark)	MR 6 sc / inc (12)
3–4	Lilac (medium)	sc in all st (12)
5–6	White	(sc, inc) x6 (18)
7–8	Lavender (light)	sc in all st (18)
9–10	Lilac (medium)	(2 sc, inc) x6 (24)
11–12	White	sc in all st (24)
13–14	Lavender (light)	(3 sc, inc) x6 (30)
15–16	Lilac (medium)	sc in all st (30)
17–18	White	sc in all st (30)
19–23	Purple (dark)	sc in all st (30)
24–28	Work even or slightly decrease to shape. Fasten off, leaving long tail.	

PART 3 – NOSE

Use beige yarn.

Rnd 1: MR 6 sc (6)
Rnd 2: inc in all st (12)
Rnd 3: (sc, inc) x6 (18)
Rnd 4: sc in all st (18)

Fasten off, leave a long tail.

PART 4 – BEARD

Cut white yarn into 25–30 cm (10–12 in) lengths.

Attach to the hat (under the nose) using a lark's head knot.

Trim evenly.

PART 5 – ARMS (MAKE 2)

Use purple for sleeves and beige for hands.

Step 1 (hand with beige):
MR 6 sc (6)
Rnd 2–4: sc in all st (6)
Change to purple.
Rnd 5–10: sc in all st (6)
Stuff lightly.
Fold and sl st to close.

PART 6 – LEAVES (MAKE 3)

Use lilac, lavender and purple.

Ch 9.
Row 1: sc in 2nd ch from hook, hdc, dc, hdc, sc, sl st, hdc, dc, hdc, sc. Fasten off.

Sew a line in the center with darker yarn for detail.

PART 7 – ACORN

Cap (brown):
Rnd 1: MR 6 sc (6)
Rnd 2: inc in all st (12)
Rnd 3: sc in all st (12)

Nut (beige):
Rnd 1: MR 6 sc (6)
Rnd 2–4: sc in all st (6)
Sew cap on top.

ASSEMBLY

1. Stuff the body firmly.
2. Sew or glue the nose under the hat brim.
3. Attach the hat to the body.
4. Add the beard under the nose.
5. Sew the arms to the sides.
6. Glue or sew the leaves and acorn to the hat.

Your gnome is ready!

TIPS

- Use stitch markers to keep rounds even.
- Stuff as you go for a firm shape.
- The hat can be slightly bent for a cute look.
- Make it bigger or smaller with thicker or thinner yarn.

STEP-BY-STEP ASSEMBLY PHOTOS

COLOR PALETTE

♥ Happy Crocheting! ♥

Crochet Gnome

Pattern, Stitch Guide & Diagram

MATERIALS

- Worsted weight cotton yarn:
  - Purple (dark)
  - Lavender (light)
  - White (beard)
  - Beige (skin)
  - Brown (acorn cap)
  - Light brown or beige (acorn)
- 3.0 mm (D) crochet hook
- Yarn needle
- Stitch marker
- Fiberfill stuffing
- Scissors

ABBREVIATIONS (US TERMS)

MR = Magic Ring
ch = chain
sc = single crochet
inc = increase (2 sc in next stitch)
dec = decrease (invisible decrease)
sl st = slip stitch
hdc = half double crochet
BLO = back loop only
FO = fasten off

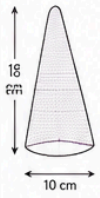

STITCH LEGEND

- ○ **ch** – chain
- • **sl st** – slip stitch
- × **sc** – single crochet
- V **inc** – increase (2 sc in next stitch)
- V **dec** – decrease (invisible)
- T **hdc** – half double crochet
- ◯ **MR** – magic ring

KEY NOTES

- Work in continuous rounds
- Use a stitch marker at the first stitch of each round
- Stuff firmly as you go
- All measurements are approximate

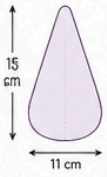

HAT (Make in Stripes)

Rnd	Stitches	Instructions (with color)
1	6	MR, 6 sc (dark purple)
2	12	inc around (light lavender)
3	18	(sc, inc) x6 (dark purple)
4	24	(2 sc, inc) x6 (light lavender)
5	30	(3 sc, inc) x6 (dark purple)
6–11	30	sc around (alternate colors every 2 rounds)
12		**(Brim)** hdc around in BLO sl st to close. FO.

Sew hat to the head.

BODY

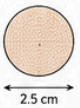

Rnd	Stitches	Instructions
1	6	MR, 6 sc
2	12	inc around
3	18	(sc, inc) x6
4	24	(2 sc, inc) x6
5	30	(3 sc, inc) x6
6–16	30	sc around
17		(3 sc, dec) x6 (24)
18		(2 sc, dec) x6 (18)
19		(sc, dec) x6 (12)
20		dec x6 (6)

FO. Stuff the body firmly.

NOSE (Beige)

Rnd	Stitches	Instructions
1	6	MR, 6 sc
2	12	inc around
3–4	12	sc around

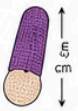

FO. Stuff lightly.

ARMS (Make 2)

Rnd	Stitches	Instructions
1	6	MR, 6 sc (beige hand)
2–6	6	sc around (purple sleeve)

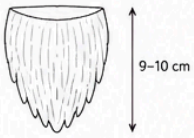

FO. Slightly stuff.
Flatten and sew to the sides.

BEARD (White)

Cut about 60 strands of white yarn (approx. 18–20 cm long).

Attach to the face under the nose. Trim for an even shape.

ACORN (Make 1)

Cap (Brown)

Rnd	Stitches	Instructions
1	6	MR, 6 sc
2	12	inc around
3	18	(sc, inc) x6
4	18	sc around

FO. Leave a long tail for sewing.

Nut (Beige)

Rnd	Stitches	Instructions
1	6	MR, 6 sc
2	12	inc around
3–5	12	sc around

FO. Stuff lightly.

Sew the nut into the cap.
Sew the acorn to the hat.

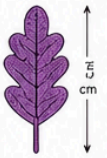

LEAVES (Make 3)

Use medium weight yarn.

Foundation: ch 7
Row 1: sc in 2nd ch from hook, hdc, 2 dc, hdc, sc, sl st

Row 2: (sc, hdc, 2 dc, hdc, sc) on the other side.

Make 3 leaves in varying purple shades.

ASSEMBLY

1. Sew the nose to the body.
2. Attach the beard under the nose.
3. Sew the hat to the head.
4. Sew the arms to the sides.
5. Sew the leaves and acorn to the hat as shown.
6. Adjust and trim the beard for a neat finish.

FINISHED SIZE

Approx. 25–26 cm (10–10.5 inches) tall

TIPS

- Use a smaller hook for tighter stitches and a firmer shape.
- Stuff firmly, especially the base.
- Change colors neatly at the end of the round.
- Block the leaves lightly if needed.

Enjoy your handmade gnome!

Crochet Gnome Tutorial – Purple Striped Gnome 💜

This Purple Striped Crochet Gnome is a charming amigurumi-style decoration featuring a rounded purple body, a tall striped hat, a textured beige nose, a long white yarn beard, two small arms, decorative crochet leaves, and a tiny acorn attached to the hat. This written tutorial follows the construction shown in the reference chart and uses US crochet terminology throughout.

The finished gnome is approximately 28–30 cm (11–12 in) tall, although the final size may vary depending on your yarn, hook, stuffing, and personal crochet tension. The project is worked mainly in continuous rounds, so using a stitch marker is highly recommended.

The body is crocheted first and stuffed firmly. The striped hat is worked separately and shaped into a tall cone. After that, the nose, arms, leaves, and acorn are made individually. The beard is created from strands of white yarn rather than crocheted stitches. Finally, all pieces are assembled to create the finished gnome.

Materials 🧶

You will need worsted-weight cotton yarn in the following colors:

- **Dark purple for the body, portions of the hat, and sleeves**
- **Medium lilac for the striped hat and leaves**
- **Light lavender for the striped hat and leaves**
- **White for the beard and hat stripes**

- **Beige or skin-tone yarn for the nose, hands, and acorn nut**
- **Brown yarn for the acorn cap and stem**

You will also need:

- **3.5 mm (E/4) crochet hook**
- **Yarn needle**
- **Scissors**
- **Fiberfill stuffing**
- **Stitch markers**
- **Hot glue, optional, for attaching the leaves or acorn securely**

A yarn needle is particularly important because several pieces are sewn directly onto the body and hat. Leave sufficiently long yarn tails whenever the instructions tell you to do so.

Finished Size

When made with the recommended materials, the complete gnome should measure approximately:

28–30 cm / 11–12 inches tall

The exact measurement depends on your crochet tension and the thickness of your yarn.

Because this project does not specify a formal gauge, try to crochet tightly enough that the stuffing cannot be seen through the stitches.

US Crochet Abbreviations

The tutorial uses the following standard US crochet abbreviations:

MR = Magic Ring
ch = Chain
sc = Single Crochet
inc = Increase, which means working 2 single crochet stitches into the next stitch
dec = Decrease, preferably an invisible single crochet decrease
sl st = Slip Stitch
hdc = Half Double Crochet
dc = Double Crochet
BLO = Back Loop Only
FLO = Front Loop Only
Rnd = Round

When an instruction appears inside parentheses followed by a number, repeat the sequence that number of times.

For example:

(sc, inc) × 6

means:

Work 1 single crochet in the next stitch, then work 2 single crochets into the following stitch. Repeat that sequence six times.

Basic Crochet Techniques Used

Magic Ring

Form an adjustable loop with your yarn. Insert the hook into the loop, pull up a loop, and begin crocheting the required number of stitches into the center. Pull the yarn tail firmly to close the hole.

Single Crochet

Insert the hook into the next stitch, yarn over, and pull up a loop. You will have two loops on the hook. Yarn over again and pull through both loops.

Increase

Work 2 single crochet stitches into the same stitch.

An increase adds one stitch and makes the piece wider.

Invisible Decrease

Insert the hook through the front loop only of the next stitch. Without completing the stitch, insert the hook through the front loop of the following stitch. Yarn over and pull through the front loops. Yarn over again and pull through the remaining loops.

Invisible decreases create a smoother finish than ordinary decreases.

Slip Stitch

Insert the hook into the next stitch, yarn over, and pull the yarn through both the stitch and the loop already on the hook.

Half Double Crochet

Yarn over, insert the hook into the next stitch, yarn over, and pull up a loop. Yarn over once more and pull through all three loops.

Double Crochet

Yarn over, insert the hook into the stitch, yarn over, and pull up a loop. Yarn over and pull through two loops. Yarn over again and pull through the final two loops.

Part 1 – Crochet the Body

Use dark purple yarn.

The body starts with a flat circular base and then grows upward into a rounded shape.

Round 1

Create a magic ring.

Work:

6 sc into MR.

You should have 6 stitches.

Pull the magic ring closed.

Place a stitch marker into the first stitch of the next round.

Round 2

Work:

inc in every stitch around.

That means working 2 single crochets in each of the six stitches.

Stitch count:

12 stitches

Round 3

Work:

(sc, inc) × 6

Repeat the following sequence six times:

1 sc in the next stitch, then 2 sc in the following stitch.

Stitch count:

18 stitches

Round 4

Work:

(2 sc, inc) × 6

Repeat:

1 sc in each of the next 2 stitches, then 2 sc in the following stitch.

Stitch count:

24 stitches

Rounds 5–16

Work:

sc in every stitch around.

Continue with:

24 stitches per round

for a total of 12 rounds.

At this point, the flat base will begin forming a cylindrical and slightly rounded body.

Keep your tension consistent so the body remains smooth.

Stuff the Body

Begin stuffing the body firmly with fiberfill.

Add small amounts at a time rather than inserting one large piece of stuffing. This creates a smoother shape and reduces lumps.

Pay special attention to the bottom so the finished gnome can sit properly.

Round 17

Work:

(2 sc, dec) × 6

Stitch count:

18 stitches

Round 18

Work:

(sc, dec) × 6

Stitch count:

12 stitches

Add more stuffing if necessary.

The body should feel firm but should not be stretched so tightly that the stuffing shows through the crochet.

Round 19

Work:

dec × 6

Stitch count:

6 stitches

Fasten off.

Leave enough yarn to close the remaining opening.

Thread the yarn tail through a yarn needle, pass it through the front loops of the remaining six stitches, and pull tightly to close.

Weave in the end securely.

Your main purple body is now complete.

Part 2 – Crochet the Striped Hat 🎩

The hat is the most recognizable feature of this gnome.

Use the following colors:

- Dark purple
- Medium lilac
- Light lavender
- White

The chart uses color changes approximately every two rounds to create the striped appearance.

The hat begins at the pointed top and gradually expands toward the brim.

Rounds 1–2 – Dark Purple

Begin with dark purple yarn.

Round 1: MR, 6 sc.

Stitch count:

6

Continue increasing gradually until the hat reaches:

12 stitches

by the end of Round 2.

Keep the magic ring tightly closed because this forms the tip of the hat.

Rounds 3–4 – Medium Lilac

Change to medium lilac.

Work evenly around according to the established shaping.

Maintain approximately:

12 stitches

through this section.

When changing colors, complete the final yarn-over of the last stitch using the new color. This produces a cleaner transition.

Rounds 5–6 – White

Change to white.

Continue the cone shaping.

The stitch count gradually increases to approximately:

18 stitches

Rounds 7–8 – Light Lavender

Change to light lavender.

Work:

sc evenly around

while maintaining the cone shape.

Approximately:

18 stitches

should be present through this section.

Rounds 9–10 – Medium Lilac

Change back to medium lilac.

Continue crocheting around and increase gradually as required by the shaping.

The hat should reach approximately:

24 stitches

Rounds 11–12 – White

Change to white.

Work:

sc evenly around

with approximately:

24 stitches

Rounds 13–14 – Light Lavender

Change to light lavender.

Continue widening the cone.

The chart indicates a progression similar to:

(3 sc, inc) × 6

until the hat reaches approximately:

30 stitches.

Rounds 15–16 – Medium Lilac

Change to medium lilac.

Work:

sc in every stitch around.

Maintain approximately:

30 stitches.

Rounds 17–18 – White

Change to white.

Continue:

sc in every stitch around

with approximately:

30 stitches.

Rounds 19–23 – Dark Purple

Change back to dark purple.

Work:

sc in every stitch around

while maintaining the wider base of the hat.

The lower portion should become long enough to fit over the top of the body and beard.

Rounds 24–28 – Shape the Hat Base

Continue working evenly, or make slight decreases if necessary to create the shape illustrated in the tutorial.

The finished hat should have a tall pointed top, a slightly flexible shape, and a wider lower opening.

Fasten off and leave a long sewing tail.

Do not stuff the hat.

A small amount of natural bending at the top creates the whimsical appearance shown in the finished gnome.

Part 3 – Crochet the Nose

Use beige or skin-tone yarn.

The nose is worked as a small stuffed sphere.

Round 1

Create a magic ring.

Work:

6 sc into MR.

Stitch count:

6

Round 2

Work:

inc in every stitch around.

Stitch count:

12

Round 3

Work:

(sc, inc) × 6

Stitch count:

18

Round 4

Work:

sc in every stitch around.

Stitch count:

18

Begin lightly stuffing the nose.

The nose should remain round and firm.

Fasten off and leave a long yarn tail for sewing.

The opening can be gently gathered when the nose is attached to the body.

Part 4 – Make the Beard 🤍

The beard is made from white yarn strands rather than crocheted as a separate fabric.

Cut several pieces of white yarn approximately:

25–30 cm / 10–12 inches long

The exact number of strands depends on how full you want the beard to look.

Using more strands creates a thicker beard similar to the reference gnome.

Attach the Beard

Fold one piece of yarn in half.

Insert your hook beneath a crochet stitch on the upper front area of the body.

Grab the folded center of the yarn strand and pull it partially through the stitch, creating a loop.

Pull the two loose yarn ends through this loop.

Gently tighten.

This technique is similar to making a lark's head knot.

Continue attaching yarn strands across the front of the gnome.

Create several rows if necessary so the beard appears thick and full.

The beard should extend from underneath the future position of the nose toward the bottom of the body.

Trim the Beard

After all strands have been attached, straighten them with your fingers.

Use scissors to trim the ends until the beard looks even.

Avoid cutting too much at once.

The reference design has a long beard that nearly reaches the bottom of the gnome.

Part 5 – Crochet the Arms

Make 2 identical arms.

Use beige yarn for the hands and purple yarn for the sleeves.

Hand – Round 1

With beige yarn:

Create a magic ring.

Work:

6 sc into MR.

Stitch count:

6

Rounds 2–4

Work:

sc in every stitch around.

Stitch count:

6

This creates the small rounded hand.

You may add a tiny amount of stuffing to the hand if desired.

Change to Purple

Switch to dark purple yarn to begin the sleeve.

Rounds 5–10

Work:

sc in every stitch around.

Stitch count:

6 stitches per round

The sleeve should form a narrow tube.

Stuff the arm lightly.

Do not overstuff it because the arms should remain flexible enough to sit naturally against the body.

Close the Arm

Flatten the open top.

Work slip stitches through both layers to close the opening.

Fasten off and leave a yarn tail for sewing.

Repeat the entire process for the second arm.

Part 6 – Crochet the Decorative Leaves 🍂

Make 3 leaves.

Use lilac, lavender, and purple yarn for a coordinated fall-inspired decoration.

Foundation Chain

Chain:

ch 9

Work Along the Chain

Beginning in the second chain from the hook, work:

hdc, dc, hdc, sc, sl st, hdc, dc, hdc, sc

Follow the natural curve created by the different stitch heights.

The combination of short and tall stitches forms the pointed leaf shape.

Fasten off.

Leave a small yarn tail if you plan to sew the leaf to the hat.

Add Leaf Detail

Thread a darker purple yarn onto a yarn needle.

Sew a straight line along the center of the leaf to represent the main vein.

Additional small diagonal stitches may be added for decorative detail if desired.

Repeat until you have 3 leaves.

Arrange the three leaves together before attaching them so their points face in slightly different directions.

Part 7 – Crochet the Acorn 🌰

The acorn is made in two main sections:

- **Beige nut**
- **Brown cap**

A small brown stem is added at the top.

Crochet the Brown Acorn Cap

Use brown yarn.

Cap Round 1

Create a magic ring.

Work:

6 sc into MR.

Stitch count:

6

Cap Round 2

Work:

inc in every stitch around.

Stitch count:

12

Cap Round 3

Work:

sc in every stitch around.

Stitch count:

12

Fasten off and leave a yarn tail for assembly.

Crochet the Beige Acorn Nut

Use beige yarn.

Nut Round 1

Create a magic ring.

Work:

6 sc into MR.

Stitch count:

6

Nut Rounds 2–4

Work:

sc in every stitch around.

Stitch count:

6

Stuff the acorn lightly if necessary.

Fasten off.

Sew the brown cap securely onto the beige nut.

Make the Stem

Use a small length of brown yarn to create a short stem at the top of the acorn.

You can make the stem with a few chain stitches or create a small twisted or sewn yarn stem.

Secure it firmly to the center of the brown cap.

Assemble the Crochet Gnome 🪡

Before sewing permanently, arrange all pieces on the body so you can check their placement.

The recommended assembly sequence follows the reference tutorial.

Step 1 – Check the Body

Make sure the body is stuffed firmly and evenly.

Gently shape it with your hands until it has a rounded bottom and a slightly narrower top.

Step 2 – Attach the Nose

Position the beige nose on the upper front of the body.

The nose should sit above the beard and later appear partially underneath the hat brim.

Using the long yarn tail from the nose, sew it securely to the body.

Make several small stitches around the base of the nose.

Keep the stitches hidden whenever possible.

Step 3 – Position and Attach the Hat

Place the striped hat over the upper portion of the body.

Lower the brim until it rests just above and slightly around the nose.

The gnome traditionally does not show eyes, so the hat should sit low enough that no facial area is visible.

Use the long yarn tail to sew the lower edge of the hat securely to the body.

Make small stitches around the circumference.

Step 4 – Arrange the Beard

Make sure the beard emerges naturally from underneath the hat and around the nose.

Use your fingers to separate and arrange the strands.

Trim any uneven yarn ends.

The center of the beard can be slightly longer than the sides for a natural tapered appearance.

Step 5 – Attach the Arms

Position one arm on each side of the purple body.

The beige hands should point slightly downward.

Use the yarn tails to sew the upper ends of the sleeves securely to the body.

Keep both arms at approximately the same height.

Do not pull the stitches so tightly that the arms lose their rounded shape.

Step 6 – Attach the Leaves

Arrange the three crocheted leaves together on one side of the hat.

The reference design places them on the front-side area near the brim.

Overlap the bases slightly.

Sew the leaves to the hat using their yarn tails or use a small amount of hot glue if preferred.

If using hot glue, apply only a small amount and allow it to cool completely.

Step 7 – Attach the Acorn

Position the finished acorn over or near the base of the decorative leaves.

Sew it securely to the hat.

The beige nut should remain visible while the brown cap and small stem sit above it.

Make sure the acorn is firmly attached because it projects outward more than the flat leaves.

Final Shaping and Finishing

Once all pieces are attached, examine your gnome from every direction.

Gently shape the body with your hands.

Straighten the beard.

Adjust the arms so they sit symmetrically.

Move the leaves into an attractive arrangement.

Check that the acorn is secure.

The top of the hat may remain straight or be bent slightly to one side for a softer, whimsical appearance.

Weave in every remaining yarn end.

Trim only after you are certain the ends are secure.

Step-by-Step Construction Order

For the most efficient workflow, complete your gnome in this order:

1. Crochet and stuff the purple body.
2. Crochet the beige nose.
3. Crochet the striped hat.
4. Create and attach the white yarn beard.
5. Sew the nose above the beard.
6. Position and attach the hat.
7. Crochet both arms and sew them onto the sides.
8. Crochet three decorative leaves.
9. Crochet and assemble the acorn.
10. Attach the leaves and acorn to the hat.
11. Trim and arrange the beard.
12. Shape the body and hat.
13. Weave in all remaining yarn ends.

Helpful Tips for the Best Result 💜

Use a stitch marker to identify the first stitch of every round. Most pieces in this project are worked continuously, so it can be difficult to recognize where one round ends and another begins without a marker.

Keep your stitches relatively tight. Amigurumi usually looks best when the fabric is dense enough that the fiberfill does not show through.

Stuff the body gradually. Adding small pieces of fiberfill allows you to control the shape more accurately.

The body should be stuffed firmly because it supports the hat, beard, nose, arms, and decorations.

The arms need much less stuffing. Keeping them slightly soft allows them to rest naturally against the sides.

When changing colors on the hat, introduce the new color during the final yarn-over of the stitch before the color change. This produces a cleaner stripe transition.

Do not stuff the hat. Its unstuffed construction allows it to remain soft and gives the pointed top its characteristic shape.

The hat can be made slightly straighter or gently bent depending on the appearance you prefer.

When making the beard, cut the yarn strands slightly longer than needed. It is much easier to shorten the beard after assembly than to correct strands that were cut too short.

Trim the beard only after the hat and nose are attached. These elements change how the beard naturally falls.

If you want a larger gnome, use thicker yarn and a larger hook. For a smaller gnome, use thinner yarn and a smaller hook while following the same construction sequence.

Color Palette

The original tutorial uses a soft purple palette:

Dark Purple: main body, sleeves, and dark hat sections
Medium Lilac: hat stripes and decorative leaves
Light Lavender: hat stripes and decorative leaves
White: beard and light hat stripes

Beige: nose, hands, and acorn nut
Brown: acorn cap and stem

Using several related shades of purple is what gives this design its distinctive striped appearance.

Final Result 💜

After assembly, your finished crochet gnome should have a firm rounded purple body, a tall striped purple, lilac, lavender, and white hat, a prominent round beige nose, a long white yarn beard, two small purple-sleeved arms with beige hands, and a decorative cluster of three leaves and one tiny acorn on the hat.

With worsted-weight cotton yarn and a 3.5 mm (E/4) crochet hook, the completed project should measure approximately 28–30 cm (11–12 inches) from the bottom of the body to the tip of the hat.

Give the beard one final trim, gently bend the hat if desired, arrange the leaves and acorn, and your Purple Striped Crochet Gnome is ready.

💜 Happy Crocheting! 🧶
